This certifies that 1PC LLC, at its secure, insured, and bonded facility, destroyed all data on disk drives or memory storage components received from your site as listed below. Each shipment was received and inventoried by authorized 1PC LLC personnel and, upon receipt, was stored in a locked area prior to destruction. Data was destroyed to NIST 800-88 standards through wiping or destruction, and all resulting shred material was sent to an approved recycling facility.

For all other material 1PC LLC received from your site, we accepted physical custody and responsibility for destruction. Recoverable assets are managed according to NAID-aligned handling practices and in compliance with applicable local, state, and federal environmental requirements.

A handwritten signature in black ink, appearing to read "Tom Bromet", followed by a horizontal line.
